### **The Holy Spirit Activating God's Power in Your Life by**

The Holy Spirit by Billy Graham is a very detailed Bible study of who and what the Holy Spirit is and does. My book was copyrighted in 1978 and 1988. I've had it since the 1990s probably. I reread it recently after Graham's recent death and all the many news stories about him. To think that he wrote this so long ago and yet it is so deep and so true to Scripture gives excellent illustrations of every possible facet of the Holy Spirit and his work in us.
