The Illuminati's Six Dimensional Universe The Illuminati

The Illuminati show that the answers to all of these great questions are hidden in the subjects most people would never think to look. The Illuminati also show that if you work hard enough on these subjects you too can begin to find the answers. Like I said the whole Grand Theory of the Illuminati is based on the only thing that can't be argued or debated with, mathematics.

The Illuminati Series 6 Book Series amazon de

This book provides an outline of the Illuminati's manifesto for changing the world. It's a simple fact that the Enlightenment failed. Only about ten percent of the contemporary world is rational. The Enlightenment freed a group of intellectuals (scientists and technologists in particular), from the superstitions, beliefs and traditions of the past, and capitalism harnessed their advanced thinking to create immense profits for the ruling elite.
