The Immigrants (1977) is a historical novel written by Howard Fast. Set in San Francisco during the early 20th Century, it tells the story of Daniel Lavette, a self described "roughneck" who rises from the ashes of the 1906 San Francisco earthquake and becomes one of the most successful and dominating figures in San Francisco.

### **The Immigrants Lavette Family 1 by Howard Fast**

The Immigrants is the first in a series of six books by Howard Fast. I first read these books in the early 80's and devoured them as fast as I could. I remember being on the "waiting list" at my local public library. If you like reading about the same characters throughout several books, following along the family lineage, all the while surrounded in colorful historical fiction, then this series is for you.
