The Intelligent Investor free pdf download and book review

The book, The Intelligent Investor is well known for the concept of value investing . Value investing is all about purchasing a stock at a significant discount to its intrinsic value. It also demands a margin of safety for all stock purchase. So a great company is not always a great purchase if it is traded significantly higher than its intrinsic value.

The Intelligent Investor by Benjamin Graham Goodreads

The Intelligent Investor teaches the philosophy that Buffet learned at school and went on to find massive success with. It does not teach people to ride market waves or speculate. Instead it instructs those who follow its teachings to calculate the intrinsic value of companies, find the ones that are either under priced or successful,

but proven to have
