Quiet The Power of Introverts in a World That Can't Stop

The book that started the Quiet Revolution At least one-third of the people we know are introverts. They are the ones who prefer listening to speaking; who innovate and create but dislike self-promotion; who favor working on their own over working in teams.

10 Life Changing Books for Introverts BOOK RIOT

Lots of books have been written to help introverts succeed at work, but this is the only one I know of written specifically for entrepreneurs. Marketing, sales, and networking are jobs that introverts usually try to avoid, but if you re a business owner, those are all skills you ll have to master, no matter what your personality type. This book will equip you with the tools you need to succeed.

The Introvert by Michael P Michaud Goodreads

I won The Introvert from Goodreads and received a bookmark as well, and I must says, contest or no contest, The Introvert is wholly original. I found myself immediately immersed in the story of a man who truly loves animals, and perhaps takes that affection and care for their well-being a bit too far.
