The Jews A History by John Efron

This one had the imposing task of compressing several thousand years of Jewish history into one book, and in my opinion, did so very well. This was required reading for a course on the Jewish Diaspora at Temple University in the Fall of 2011 and I would recommend it to anyone interested in the subject.

The Jews A History 3rd Edition Paperback Routledge

The Jews: A History is a comprehensive and accessible text that explores the religious, cultural, social, and economic diversity of the Jewish people and their faith. Placing Jewish history within its wider cultural context, the book covers a broad time span, stretching from ancient Israel to the modern day.

Efron The Jews A History Pearson

"The Jews is well written, conceptually clear, lively, interesting, and informative. It strikes just the right balance between sketching out the major issues and providing enough detail so that students who have no background can fully understand the main point.
