The Kingmaker Book I of The Kingmaker Saga Goodreads

Kingmaker(Slight spoilers) THE COOL: I liked the plot and characters quite a bit. While I would not call the characterizations in The Kingmaker complex by any means I still found a lot of the characters very enjoyable.

The Kingmaker The Kingmaker Trilogy 1 by Gemma Perfect

They spend to much time worries about saving themselves and not enough with saving the kingdom. A while in real life this maybe be true I don't want that for my book. Also whats the point of the kingmaker having powers if she never uses them, like ever.

Breath of Fire The Kingmaker Chronicles Book 2 English

Habe Buch 1 und 2 gelesen, und tats chlich wieder von meinem E-Book gel scht. Versteht mich nicht falsch, ich lese nicht nur GRRMartin oder Patrick Rothfuss, es ist auch Sarah J Maas dabei oder sonstig einfacher zu lesende Fantasy, das Problem an dieser Reihe ist einfach die fehlende Spannung.

Heart on Fire The Kingmaker Chronicles Book 3 English

Heart on Fire is the third and final book of the Kingmaker Chronicles. I adored books 1 and 2. I couldn't wait for book 3 to be released and once it was, I re-read books 1 and 2 so that I could read all 3 back to back. This book just didn't measure up to the first two books. It was still good and completely captivating, but I think I liked it as much as I did simply because I was already really invested in the characters and their story.
