The Ladies' Paradise Amazon de Emile Zola Ernest Alfred

Zola's description of the 'new commerce' is so today. His language isn't dated and he sees with a prophetic touch. He even talks in the book about trade unionism revolutionizing the 20th century while he wrote from the 19th. One can see in the Ladies' Paradise the beginning of the layout of Ikea or the departments of amazon. I've read The Drinking Den, Nana and Germinal by Zola, all great, but this was the only one with a happy ending. It's an unclassical love story.

The Ladies' Paradise Les Rougon Macquart 11 by mile Zola

The Ladies Paradise was one of those books I meant to read, expected to love, but never quite got to for a long, long time. Now I have finished reading, I am inclined to say that the verdict is flawed but fabulous.
