Amazon com Customer reviews The Language of Sparrows

The Language of Sparrows, left me feeling stunned and speechless. The plot is about secrets and their power to destroy lives and relationships. It was descriptive, almost poetic, and deep with insight. The plot has multiple layers and the characters are likable people who each carry deep and painful secrets.

The Language of Sparrows was a beautiful book. Heartbreaking at times, but also full of hope and just really a great story. I wasn't expecting it, so this book really surprised me. There may be some spoilers ahead as I talk about the story.
