### **The Last Apprentice Revenge of the Witch Book 1 Amazon**

I expected the usual cliffhanger ending leading to books 2, 3, 4 etc. What I got was a book that while yes it left ample room for more down the road, it was in and of itself a satisfying complete tale that could easily be read as a stand alone; although I'm looking forward to more adventures.

### **The Last Apprentice Revenge of the Witch Book 1 eBook**

The book is geared toward middle-school aged readers, but as an adult I enjoyed this story very much and felt the book had a nice pace to it. There was enough suspense and action to keep me reading without getting bored. I will continue reading this series. It will be interesting to following Young Thomas journey and see how he grows up and learns to deal with the challenges that come his way.
