"The Last Invisible Boy" by Evan Kuhlman was recommended to me by "the last really cool teacher" after my father was killed in a car accident. I really felt related to Finn, the main character. And we could have been siblings. Finn's father died, so did mine, and we both just felt shocked and almost invisible.

### **The Last Invisible Boy by Evan Kuhlman Goodreads**

The Last Invisible Boy was not funny, uplifting, or even an entertaining book for me. What Evan Kuhlman did get right, was the emotions and voice of a grief riddled twelve year old boy. I liked how the book tackled sensitive subjects, but did not tell the readers how they must feel, because every other teen feels that way.
