The Light Tamer by Devyn Dawson Rating 4\*\*\*\* While this is a paranormal romance it is lacking in both werewolves and vamps. This is the story of Jessie and Caleb, and how two teenagers have to learn to embrace their heritage in order to fight the bad guys. I liked the overall light hearted young romance of this story.

### **Light Bound The Light Tamer 3 by Devyn Dawson**

This book was written way better than the first two books in the Light Tamer series, but I feel that the ending was rushed and ends abruptly. I still have a lot of questions on what happens to certain characters. It would be way better with a better ending.
