The book also considers heterosexual hypocrisy regarding homosexual promiscuity. Finally, an underlying theme is the nature of beauty. Nick is attracted to physical beauty in art and in men. However, he pays a price for his choices: his beautiful lover Wani is a self-hating homosexual, and the Feddens' home (in which Nick Guest remains a guest) is filled with both exquisite art and vile hypocrisy. The novel also deals with the "coming out" experience of Nick and of gay men in general.
