The Little Book of Curses and Maledictions for Everyday Use

Learn how to place spells, incantations, hexes, and more. Authentic, ancient curses from around the world are tweaked for easy, contemporary use. The book covers the four essentials for practicing any kind of magic: what to do and say, what materials to use, what frame of mind to be in, and what limits to set. In some cases it even matters where you are when you set your curse, what time of day it is, and who's around. Create the life you deserve using the power of the ages.
