RELATED BOOK :

The Lost Continent Travels in Small Town America Wikipedia

The Lost Continent: Travels in Small-Town America is a book by travel writer Bill Bryson, chronicling his 13,978 mile trip around the United States in the autumn of 1987 and spring 1988. It was Bryson's first travel book.

the Lost Continent Amazon de Bill bryson B cher

Bill Bryson hat eine wahnsinnig unterhaltsame Art, über Land und Leute zu erzählen. Sind seine Europareisen sehr mit Klischees beladen, kommt mir sein USA-Bericht besser vor (auch wenn ich selbst natürlich nicht beurteilen kann, inwieweit nicht auch vieles Klischee ist).

The Lost Continent Travels in Small Town America by Bill

The Lost Continental: A Look at Bill Bryson I must preface this essay by saying that if everyone didn't like this Bill Bryson book as much as I didn't (at least the person he is in this book), he would be about the wealthiest author on the planet.

Bill Bryson The Lost Continent English Language and

Bill Bryson introduces his readers to his hometown-Des Moines. He talks of the type of people you'd expect to meet, plus the lack of interesting things there is to do. He talks of the type of people you'd expect to meet, plus the lack of interesting things there is to do.

The Lost Continent Travels in Small Town America Bill

A travelogue by Bill Bryson is as close to a sure thing as funny books get. The Lost Continent is no exception. Following an urge to rediscover his youth (he should know better), the author leaves his native Des Moines, Iowa, in a journey that takes him across 38 states.

Bill Bryson Lost Continent Travels in Small Town America

Bryson brandmarkt die Orte, an denen der community spirit verschwunden ist, mit ihm (oder vor ihm?) die Arbeitsplätze und der Sinn für das Schöne. Das Small Town America, das er beschreibt, strahlt jene Hoffnungslosigkeit und Ausweglosigkeit aus, die Mary Chapin Carpenter in ihrem Song I am a Town so schön besingt.

The Lost Continent Travels in Small Town America Bryson

OH dear, Bill Bryson has written some terrific books , but this isn't one of them. He describes a succession of awful dead end towns in America, each one more boring and dead-end than the last in ever more negative prose.
