Extraordinary Popular Delusions and the Madness of Crowds

Mackay's book consists of one anecdote after another for more than 700 pages. It offers very little in the way of analysis and explanations. If you like that kind of book, this one is for you. I found this book boring and very overrated. I suggest that you skim a copy of this book before you buy it.

The Wisdom and or Madness of Crowds ncase me

First off, I'm not dissing this book. It's a good book, and Surowiecki was trying to tackle the same question I am: why do some crowds turn to madness

The Madness of Crowds Wikipedia

The Madness of Crowds is the third solo album by English progressive rock artist Troy Donockley. The album was released in 2009. It is the first solo album by Troy to be released after his involvement with Nightwish and as a result features Tuomas Holopainen, reciting the poem "Song of Myself" by Walt Whitman in the song "Now, Voyager".
