The Mammy Agnes Browne 1 by Brendan O'Carroll

The Mammy was a delightful book about Agnes Browne and her family. After Agnes' husband dies, Agnes raised her brood of 7 kids by herself in Dublin in the 1960's. I chuckled and laughed all the way through this one -- so much character and spunk.

Like the novels of Roddy Doyle, The Mammy features pitch-perfect dialogue, lightning wit, and a host of colorful characters. Earthy and exuberant, the novel brilliantly captures the brash energy and cheerful irreverence of working-class Irish life.

The Mammy Agnes Brown Series 1 by Brendan O'Carroll

I rarely laugh out loud when reading a book but The Mammy and the rest of the Agnes Brown series are that funny. The story of Agnes Brown and her clan ranges from funny to heartwarming to inspiring to sad but always interesting. The Mammy and the other three books in the collection are all well worth the read.
