The Marriage Bed Tim Challies

The fact that this book is so short is both a strength and a frustration. I was a little disappointed because there is so much more he could have said; yet its short length makes it very accessible. Overall, *The Marriage Bed* is a helpful little book and one that offers a lot of wisdom in just a few short pages. Best of all, it is grounded in Scripture and full of gospel.

The Marriage Bed Read Romance Book

A sad end, given the adoring young woman he'd married. But marriages were seldom happy, and he had long ago given up any stupid notions that his would be one of the few to beat the odds. But marriages were seldom happy, and he had long ago given up any stupid notions that his would be one of the few to beat the odds.
