### **The Mindful Path to Addiction Recovery promises com**

Mindful Intention: Mindful intention stems from mindful thought. We examine our intentions toward ourselves and others and make sure they do not originate in anger, bitterness or resentment. We adopt an approach that is the same as the oath that doctors take when they finish their training: do no harm. We check our intentions to make sure that they are aligned with this fundamental philosophy, and if they are not, we take a closer look at ourselves to find out why.
