RELATED BOOK :

Mole people Wikipedia

The book helped canonize the image of the mole people as an ordered society living literally under people's feet. However, few claims in her book have been verified, and it includes inaccurate geographical information, numerous factual errors, and an apparent reliance on largely unprovable statements.

The Mole People Life in the Tunnels Beneath New York City

Thousands of people live in the subway, railroad, and sewage tunnels that form the bowels of New York City. This book is about them, the so-called "mole people" living alone and in communities, in the frescoed waiting rooms of long-forgotten subway tunnels and in pick-axed compartments below busway platforms.
