### **The Motel Life by Willy Vlautin Goodreads Share book**

The Motel Life is one of the most depressing novels I've ever read. I'm amazed that this book was made into a movie. I can honestly say that after reading it, I have no desire to see the movie. The basic plot of the book is that Frank's brother Jerry Lee accidentally runs over and kills a young boy one night when he is drunk. Jerry Lee decides to leave town and takes Frank with him.
