### **Multipliers How the Best Leaders Make Everyone Smarter**

Multipliers is such a book. Liz Wiseman and Greg McKeown challenge us to imagine a dramatically more productive future for our organizations ( Tim Brown, CEO, IDEO ) In over 30 years of evaluating executives it was clear to me that some achieved much more than others, but it wasn't always clear why.

### **Multipliers How the Best Leaders Make Everyone Smarter by**

A better work book than a read through, Multipliers is full of great advice for managers and leaders. I had the privilege of working under a manager who was using this book as his guide to management, and to this day I list him as the person who has most influenced me and developed me professionally. I've tried to apply what he taught me about leadership, and now I'm happy to have read the original source and apply it asap.

### **Multipliers How the Best Leaders Make Everyone Smarter**

In the book Wiseman and McKeown look at various types of leaders and identify two different types of leaders, Diminishers and Multipliers. Multipliers are leaders who encourage growth and creativity from their workers, while Diminishers are those who hinder and otherwise keep their employees' productivity at a minimum. The authors give what they consider to be solutions and guidance to the issues they bring up in the book.
