How to Sew a Needle Book 9 Steps with Pictures

I have been using the same needle books for years. They are felt, covered in cat fur, and really not working for me. :D I decided that now that I am embroidering 10-15 hours a week, I really needed a nice needle book I can carry around with me. I also hoped that if I made a nice enough needle book, I would actually use it.

Eye of the Needle by Ken Follett Goodreads

Eye of the Needle tells the story of a German master spy The Needle and his attempt to uncover the plans of the English army during World War 2 (a few weeks before D-Day). This book was a little light on the espionage and too much focused on the generic thriller formula.

Eye of the Needle Book and Movie Review

Eye of the Needle: Logline. During World War Two, a ruthless German spy in Britain learns the secrets of D-Day and must escape back to Germany to change the course of the war. But when he is shipwrecked on a small Scottish island he meets a woman who might just be a match for him. Eye of the Needle: Plot Summary.

Warning: My reviews include spoilers.

DIY Embroidered Needle Book thesprucecrafts com

Turn the needle book right side out and poke the corners into shape (a chopstick or the end of a small paintbrush work well for this). Sew the opening closed with ladder stitch. Use a doubled thread and a regular sewing needle.

To give the cover of the needle book a finished look, stitch around the edge with running stitch.

Ken Follett Bibliography Eye of the Needle

By the time I wrote Eye of the Needle, I realised that the reader wants a tense situation to go on for a long time. The writer has to keep on thinking of new things that could go wrong. Even before I finished it, I knew Eye of the Needle was much better than anything I had done before.
