The Night Torn Mad With Footsteps by Charles Bukowski

The Night Torn with Mad Footsteps is a collection of great, thought-provoking and personal poems by Charles Bukowski. I have to admit this is by far my favorite collection of poems from the dirty old man. I think with every single poem I've read I got at least something out of each one of them. For Bukowski fans who are looking to find a couple of great poems, I highly recommend this collection.
