### **One Year Bible KJV Amazon de Tyndale Fremdsprachige B cher**

This One Year Bible is a great way to read the Bible through in one year. It is arranged so that you can read some of the Old Testament and New Testament every day. In addition you will read something from Psalms and Proverbs every day. This arrangement will allow you to read through the Psalms twice. The beauty of this plan is that you can pick it up and start any day of the year. I have personally read the Bible through this way every year for the last eight years and I never get tired of it.
