The Palace of Laughter The Wednesday Tales 1 by Jon

The Palace of Laughter is actually several years old, but it was new to me nonetheless. It s the story of Miles Wednesday (so named for the day he was dropped off at the horrible Pinchbucket House for orphans) and his chance encounter with the Circus Oscuro. After an evening conversation with a tiger and multiple attempts at trying to sneak into the show, Miles ends up rescuing a peculiar little girl name Little who also happens to have wings.
