The New World Champion Paper Airplane Book amazon de

He can't quite read yet, and yet was so determined, he has done all of the planes in this book. Most, without my help. That is more a testament to his interest and skills than the ease of the book. But if you have a paper airplane lover, they will probably love this book. It's our first paper airplane book. After we do a few more books, I'll come back and update my review to compare.

The New World Champion Paper Airplane Book amazon de

This is one of two "must have" paper airplane books that are out there for serious folders. I have collected almost every paper airplane book in or out of print that I could find in the last few years as I discovered that paperflight was a great way to combine two of my hobbies: paragliding and origami.
