The Paradise Snare by A C Crispin Goodreads

Paradise Snare is the first in the Han Solo trilogy telling the adventures of this iconic Star Wars character. Set some 10 years before Episode IV, this book chronicles his backstory as a street urchin and developmental years with a motley crew of space pirates that take him under their wing. Escaping from the pirates, this story tells of his time as a pilot on a planet, Ylesia, famous as a sanctuary for devotees seeking enlightenment from questionable priests, with questionable agendas.

The Paradise Snare Star Wars The Han Solo Trilogy 1

The Paradise Snare is a promising start to the Han Solo Trilogy. While the story does not present the epic scope of some of the prequel stories I've read recently, it is a very well thought out and smart story that brings an already vivid character to even brighter life.
