### **TWiP 220 The Passionate Photographer This Week in Photo**

Other photographers such as David duChemin and Rick Sammon have seen success with their applications and eBooks. Ron thinks a neat idea for wedding photographers would be to create an application with videos and photos from a wedding and make it available to the guests as an application. He would love to know if a service exists that could turn a book into an app without having to know anything about coding.

### **The Nikkor 58mm f1 4G Lens Me A Review**

Hi Mads, I have very similar feelings to you with regards to this lens and the 85mm the distortion question for using the 58 close up is not a worry for me since I don't do much commercial portraiture; if I did I might choose the 85 over the 58, but for my passionate photographer portraits I like the way the lens renders the human face and don't find the distortion a problem even close up.

### **Stay on top of your photos Software solutions for the**

CYME is dedicated to building amazing tools for digital photographers around the world. We've sent people to the moon (multiple times), can make a rocket send a satellite to orbit and land back safely on a pad the size of your backyard floating on the ocean, and yet, it seems more and more difficult to be in control of our digital images.
