Plain Truth Amazon de Jodi Picoult Fremdsprachige B cher

Jodi Picoult has written another fascinating book. One which can take its place amongst many of her other books such as Keeping Faith, The Pact and Harvesting the Heart. Her characters in Plain Truth, as always, are well portrayed and stay with the reader long after they close the book. Also, it is apparent that Ms. Picoult did a great deal of research as well as live amongst the Amish to learn more about the ways of the plain.

As a Jodi Picoult fan, I enjoyed reading Plain Truth and found the writing style, once more, to be highly masterful. The theme of this novel has to do with protecting someone, and its concern is specifically on mothers and children. The plot hovers around several mothers, although one of its main characters is Elly, the lawyer who has longed for a child for a long time.
