### **The Power of Myth by Joseph Campbell Goodreads**

Though a bit rambling at times, The Power of Myth is a great introductory text on archetypes found within all world mythologies from almost every time period. Campbell explains why the underlying stories are the same from all over the world and what they mean in both cultural, personal, and world contexts.

### **Amazon de Kundenrezensionen The Power of Myth**

The book and the tapes on the power of myth are very interesting and interpret mythology and religion within the same paradigm and concepts - that myth flows from the contrary and contradictory stresses and strains of the body and society.

### **Amazon com Customer reviews The Power of Myth**

I recommend reading "The Power of Myth" as an introduction, and proceeding to "Hero With a Thousand Faces". Just these two books alone will tell you everything you'll ever need to know about the history and modern applications of mythology. Enjoy.

### **Amazon ca Customer reviews The Power of Myth**

Campbell's "The Power of Myth" is a series of transcriptions of his conversations with Bill Moyers of PBS. As scholar of mythology, Campbell has both a deep and broad understanding of the countless myths that have been told over the ages - and the handful of messages that they convey.
