The Power of Positive Training Dogs and Pups Magazine

3. Increase behavioural reliability through positive training and a strict leadership programme. You begin training at the point your dog is successful and build to the point of reliability you've set as your goal. Physical punishment and aversive training methods are not necessary. It just proves to be a hindrance to promote or foster safety, patience, kindness, and compassion. A gentle, positive approach will make life much richer and happier for you and your dog.
