This is interesting, I thought, lets have a look. Fact is, I wouldnt have wanted to miss this for the world, its unchallenged. Like Moers, the story is fantasy with enough real characters, witty dialogues, exciting turning points and jest to keep you going. Its enough for four books. I loved the Princess Bride.

The Princess Bride needs a decent amount of innocence in order to strike home. On the other hand, I wouldn t let any children near it. It s slightly too violent and full of fucked up people.
