The Quest Begins Seekers 1 by Erin Hunter

The Quest Begins (Seekers, #1) is part of a series of books. This book is confusing at first because you read from a perspective of a bear, and there is 3 different bears Kallik (Polar Bear), Lusa (Black Bear), and Toklo (Grizzly Bear). Right now they are just baby cubs fighting a huge problem that you will read about. The plot is very interesting.

Seekers 1 The Quest Begins Kidsreads

Hunter's love and respect of nature shines through each glowing word. SEEKERS is an incredible novel for people of all ages, and I can't wait for the next installment --- GREAT BEAR LAKE --- to be released.
