The Ragamuffin Gospel Amazon de Brennan Manning Scott

Brennan Manning writes an intelligent treatise of the subject of God's grace. His seasoned language and personal examples guide the reader through a concept many Christians find difficult to grasp: how can a perfect God care so much for His very imperfect people. If you struggle with the miracle of grace and tend to artificially attach strings to God's love, read this book, then re-read it. I have purchased 8 copies to give to friends and after 4 weeks, I'm all out.
