

[THE RELUCTANT MESSIAH](#)

RELATED BOOK :

Illusions Bach novel Wikipedia

Illusions: The Adventures of a Reluctant Messiah is a novel by writer and pilot Richard Bach. First published in 1977, the story questions the reader's view of reality, proposing that what we call reality is merely an illusion we create for learning and enjoyment. Illusions was the author's followup to 1970's Jonathan Livingston Seagull.

The Reluctant Messiah by Eric Guindon Goodreads

The is a quirky book about Oliver, an "every man" who suddenly finds he is the messiah and how it changes his life. The book is written with a bit of tongue in cheek humor mixed with magic, demons, and various cults. It is a fun, quick read. I was lucky enough to win this book through GoodReads but I'll definitely buy his next book to see if he can top this one.

Illusions and the Reluctant Messiah Moving On Upwards

Illusions: The adventures of a Reluctant Messiah really spoke to this new found vision I had for what I d like my life to be. The book Illusions is the story of an airplane pilot told in first person. The pilot s name is Richard, which is the same as the first name of the author, Richard Bach. By the end of the book it seems that the author is trying to give the literal impression that it is a somewhat true story about his own life.

The Reluctant Messiah Newgrounds com

This is a parable inspired from the book "Illusions: Adventures of a Reluctant Messiah". It's an absolutely brilliant book, and I highly recommend it for anyone looking for a good read. It's rather short, and incredibly profound. It's Less Words, and More Meaning.
