# The Road Wikipedia

The Road is a 2006 novel by American writer Cormac McCarthy. It is a post-apocalyptic tale of a journey of a father and his young son over a period of several months, across a landscape blasted by an unspecified cataclysm that has destroyed most of civilization and, in the intervening years, almost all life on Earth.

## The Road Vintage International Amazon de Cormac

Despite Cormac McCarthy s reputation as an ornate stylist, The Road represents both the logical terminus, and a kind of ultimate triumph, of the American minimalism that became well-known in the 1980s under the banner of dirty realism . . . The Road is a much more compelling and demanding book than its predecessor . . . The new novel will not let the reader go, and will horribly invade his dreams, too . . .
