How to Write a Business Plan with Sample Business Plans

To write a business plan, start with an executive summary that lays out your grand vision for your business. Follow that with a section that describes what products and services your company will offer. Then, write a marketing section where you detail how you're going to inform people about your business. You'll also want to include a section on your business model and how it will operate. Finally, conclude your business plan by letting investors know what you need from them.
