### **Savage Continent Europe in the Aftermath of World War II**

Lowe's Savage Continent is a useful corrective to this view, showing the allies often allowed or even engaged in terrible behavior after the war, and that the peaceful Europe we all see now did not emerge quickly from the chaos and brutality of total war.

### **Savage Continent Europe in the Aftermath of World War II**

Savage Continent is the story of post war Europe, from the close of the war right to the establishment of an uneasy stability at the end of the 1940s. Based principally on primary sources from a dozen countries, Savage Continent is the chronicle of a world gone mad, the standard history of post World War II Europe for years to come.

### **Savage Continent Europe in the Aftermath of World War II**

A very fair and full account of the horrific events in Europe in the few years after the Second World War. I can recommend this book to anyone who thinks that the horrors were over in 1945.
