RELATED BOOK :

The Servant Goodreads Share book recommendations

The book lays out the perfect foundation on leadership I've ever read. The leadership principles shared in this book are not new, yet very refreshing as this morning's sun rise, ranging from effective leadership definitions to model and characters, etc. The stories in the book are very engaging and I would say there are a lot to learn from it.

The Servant by Robin Maugham Goodreads Share book

Robin Maugham's The Servant is best remembered by Harold Pinter's 1963 film adaptation, also titled The Servant, directed by Joseph Losey. The film is quite different in content and approach, mainly because it was produced during a very different era. Maugham's novel is a grim depiction of post-war London; a squalid city where both the privileged and unprivileged must struggle to carve a place for themselves in society. Rules have changed, however, as the world has turned upside down.
