Jon Klimo writes that the Seth books were instrumental in bringing the idea of channeling to a broad public audience. Catherine L. Albanese said in the 1970s that the Seth Material launched an era of nationwide awareness of the channeling trend and contributed to the self-identity of an emergent New Age movement.

### **The Nature of the Psyche Its Human Expression Seth Seth**

All Jane Roberts/Seth books are a must read on my list. And this book in particular gives you a better way to look at the sexual roles we play in our modern society. It explains how our government, society and religions have fostered unnatural sexual programming on us from birth and pinpoints the beliefs that need to be changed and outlines a more natural outlook on the expression of sexual and loving relationships.

### **Jane Roberts Wikipedia**

Roberts claimed no authorship of these books beyond her role as medium. This series of "Seth books" totaled ten volumes. The last two books appear to be incomplete due to Roberts' illness. Butts contributed extensive footnotes, appendices, and other comments to all the Seth books, and thus was a co-author on all of them.
