The Shabby Chic Home Amazon de Rachel Ashwell

Most people are familiar with the hallmarks of Rachel Ashwell's shabby chic style: fabrics in pastel florals and stripes, chintz sofa covers, antique-store and yard-sale finds turned into home furnishings and accessories. At the heart of this breezy style is a very practical idea: don't buy new--use what you have or can find at thrift stores and secondhand shops and enjoy the old-fashioned charm that only aged pieces acquire. The same idea goes for houses.
