The Shoemaker by Flora Rheta Schreiber Goodreads

This book was dreadfully boring to me, which is probably a feat considering how graphic the murders are and it being about a serial killer. I feel bad saying that since the book is written about an actual homicidal crazy man that kills at least three people. I've tried many times to get past the 3/4 mark of the book but it's just not happening.

The Elves and the Shoemaker by Jim LaMarche Goodreads

The Elves and the Shoemaker is the classic with illustrations that really bring the story to life and lends itself very well to reading aloud to a class. The book tells the story of a poor shoemaker who is kind but can not sell any of his shoes. One night, the shoemaker leaves his last bit of material out.
