The Sign of the Beaver by Elizabeth George Speare

This is a wonderful book by the Newberry award winning author Elizabeth George Speare. It tells of a family who make a claim for land in Maine. The father and their son (about 14) go out to the claim and built a small log cabin. The father then leaves the boy there to keep hold of the claim whilst he goes back to collect his wife and younger children. Nothing goes as the father plans and the boy is left alone far longer than was intended.

The Sign of the Beaver by Elizabeth George Speare

The Sign Of The Beaver has a survival theme to it. I liked this story because it is an adventure and survival kind of story, and I love those kind of books because you never know what is going to happen next. I can connect to this book because I love the wilderness and I know some survival techniques, like how to build a shelter, make a signal fire, and start a fire.
