The Sixteenth Round From Number 1 Contender to Number

The Sixteenth Round reads like a story of a man going to the electric chair, who is screaming for someone, anyone to help him. This was literally the biggest fight of his life. He's angry, he's pleading, and he's desperate. With a book so passionate and heartbreaking, it makes for a great read. Although Rubin Carter wasn't an angel, his story illustrates how easy it is to be on the wrong side of the law through no fault of your own.
