Bust Gun The Sleepover Bimbo Magic Book 2 English

It is book 2 in the Bimbo Magic series and wow it is so hot , erotic and sexy. I found out more about the plastic gun this time around- like it has settings on it (nymph, trophy, or queen) and once the gun feels its done what its needed poof. Oh just know its stuns and takes over- this gun can change your life forever. Not all changes are good. Remember that and go for a wild ride as I did in this novella type story. I cannot wait for book 3 to find out what the gun s secret motive is.
