The sound and the fury Open Library

The Sound and the Fury tells the story of the decline of the once-aristocratic Compson family of Yoknapatawpha County, in northern Mississippi, as told in stream of consciousness by three brothers -- Benjamin, Quentin, and Jason. Summaries and commentaries guide you through each section of the novel, and critical essays help you understand the origin of the book's title, the structure of the

Dawn Trouard offers us the women of The Sound and the Fury, reading against the grain of the predominant critical tradition that sees the women through the lens of masculine cultural biases. Donald M. Kartiganer comes to terms with the ways in which the novel simultaneously attracts readers and resists readings. Richard Godden discusses the relationship between incest and miscegenation. Noel Polk examines closely the way Faulkner experiments with language.
