### **The Stolen One Suzanne Crowley**

THE STOLEN ONE is a perfect combination of history, mystery and romance. I was along for the ride as Kat searched for the truth and was entranced along the way. I was pleased Kat's personal growth within the story and can say that I admired how the Queen was portrayed. The story was well paced and I really enjoyed the bits from Grace's perspective through her journal. It added that bit A HA factor that made this story shine.
