The Tale of Three Trees A legend with a lesson

Three trees on a mountain dream of what they wanted to become when they grew up. One wants to be a treasure chest, another an ocean-going boat, and the third a signpost to God. Their wishes come true in a way they never expected. Children will be deeply touched as they understand, perhaps for the first time, the significance of Christ's life and his atoning sacrifice on the cross. Recommended for ages 4 and up.
