The Story of the Trapp Family Singers Amazon de Maria

This is simply one the most uplifting books I have ever read! I adore the movie "The Sound of Music" but this book is even more amazing. The von Trapp family went from immense wealth to poverty in a very short time, but throughout their trials they never lost their faith that God would provide.

The Story of the Trapp Family Singers by Maria Augusta

I'm typically not a historical bibliography reader but someone on my bus ride recommended this to me. And to my surprise, I really enjoyed seeing the "REAL" Sound of Music and how the Trapp Family Singers just came to be. If you like the Sound of Music, read this book to find out what happened to the Trapp Singers.

Movie vs Reality The Real Story of the Von Trapp Family

While The Sound of Music was generally based on the first section of Maria's book The Story of the Trapp Family Singers (published in 1949), there were many alterations and omissions. Maria came to the von Trapp family in 1926 as a tutor for one of the children, Maria, who was recovering from scarlet fever, not as governess

to all the children.
